## **ANNOUNCEMENT**

### **Lesniewski Moore Consulting Group Inc. Hires New Regional Vice President**

Lesniewski Moore Consulting Group Inc. is pleased to announce Lindsey McKinnon has joined the firm to further develop our growing regional business in Manitoba and Saskatchewan. Lindsey brings a wealth of experience within the industry, having spent 16 years in her role to support advisors and clients with the communication, implementation, and administration of Individual Pension Plans (IPPs).

Lindsey joins Lesniewski Moore Consulting Group Inc. as Regional Vice President to continue building on our success of providing outstanding service that meets the needs of an evolving industry with a sophisticated niche of business owners.

We view her appointment as a sign of our commitment to being the leading company in our industry.

“Because of increased demand in the industry we’ve added an addition to our team who will fit in with our focus on exceptional service,” said Mark Lesniewski, President. “We are very fortunate to have someone of Lindsey’s caliber to join our team and we’re confident that Lindsey will play a key role in providing and implementing high quality solutions for our clients.”
